Dear Jeff,

Nyffeler US Application Serial No. 234 530
FTR-0079
Our File: 28936

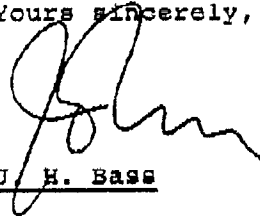

Thank you for your letter of 23rd March 1989 and the draft response.

Having read the response and found myself in agreement with it, I still needed to get the client's approval, because part of the information derived from the inventor and part from Peter Martin, as mentioned in my letter of 21st March. I therefore despatched a copy of the draft to FTR for approval.

I have now received complete approval of the draft and accordingly ask you to file the response at the U.S. Patent Office at your early convenience.

Thank you for your prompt and careful work on this case.

Yours sincerely,

J. H. Bass
